

“Future Care was truly my last hope. As a widow, I am overwhelmed with concern as to my daughter’s future. Since my first appointment at Future Care, I have felt renewed hope and watching the action of the dedicated staff, I have found the ability to move forward. From legal issues to vocational and life skills assistance, there is not a stone Future Care will leave unturned. The program and all that encompasses it is a fine-tuned machine with a philosophy based on respect for the client and family.” *Anne-Marie*

*Don't leave your
loved one's future to chance.*

People with disabilities are living longer than ever before. While we celebrate this trend, the troubling implication is that many people with disabilities will outlive their primary caregivers. When this occurs, families are too often unprepared.

We can help.

“A daunting task and sleepless nights clearly describe the need for help. Future Care has made gaining guardianship a much easier task. All the staff were friendly, knowledgeable, professional and sometimes downright fun.” *Donald & Georgian*

We can help.

Future Care Planning Services can help you ensure that your loved one will always be cared for in accordance with his or her preferences and your wishes.

We work with you to identify options for every aspect of the future including living arrangements, legal guardianship, health care, finances and other facets that contribute to quality of life.

Our staff members will guide you in obtaining the legal documents you'll need to guarantee your decisions will be binding. These include guardianship, health care proxy, power of attorney, living will, representative payee and/or supplemental needs trust.

Our staff members are compassionate and supportive advocates who recognize conversations and decisions like these are difficult for families. We are here to listen and provide sound, unbiased advice.

We encourage you to take the next step and meet with us to explore planning options for your loved one and your family.

Future Care Planning Services is a joint service of Lifespan of Greater Rochester Inc., the Al Sigl Community of Agencies and the Arc of Monroe. This partnership enables us to provide professional services at an affordable rate.
